## WELCOME TO THE SLG

The SLG comprises the South London Gallery building, the Fire Station, an artist-designed garden and Art Block, a creative space on Sceaux Gardens Estate for local children and families.

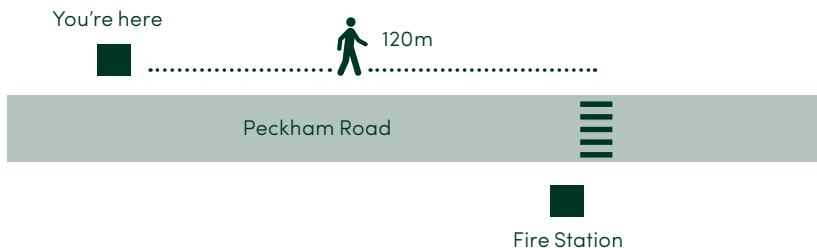

Our year-round exhibitions programme showcases the best in international contemporary art, complemented by an events programme for people of all ages and free, regular family activities.

Archive displays and heritage events explore the 130-year history of the SLG and the intertwined social, architectural and cultural heritage of the local area.

If you need more information about what to see and do while you're here, please ask our team who can help you plan your visit or talk about our displays. You can also pick up a What's On leaflet and visit our website: [southlondongallery.org](http://southlondongallery.org)

SLG exhibitions and family events are free and open to all. If you feel able, please donate £5 via the SLG bookshop.
